The Left Hand Water District has disconnected water service to the following property, in keeping with its policies on delinquent accounts:

The undersigned requests reconnection of the water service to perform inspection or showing of the property. It is understood that if there is an outstanding balance due on the account the water will again need to be disconnected after the inspection is completed. If water is to remain connected, all past due and current charges must be paid in full, and the reconnection charge will be waived.

Future reconnections will require payment of the service fee for each reconnection.
