To property owner:

RE: Notice of Public Hearing for Left Hand Water District

Date: Wednesday August 13, 2014

Time: 4:30 pm

Location: Dodd Administrative Office

Address: 6800 Nimbus Road

Topic: Dodd Water Treatment Plant (WTP) Upgrade

A public hearing will be conducted for informing citizens and soliciting public input, written or oral, regarding the Left Hand Water District Dodd Water Treatment Plant Upgrade and Preliminary Engineering Report (PER). The PER is a report detailing the project consisting of an upgrade to the existing Dodd Water Treatment Plant at 6800 Nimbus Road. The report has been submitted to the Colorado Department of Public Health and Environment (CDPHE) to qualify Left Hand Water District for a State Revolving Fund Loan.

The proposed project consists of the following main components:

1. Construction of a new pretreatment/chemical handling building adjacent to the existing WTP building.
2. The replacement of the existing 8.0 MGD filters with MF/UF membrane filters with a capacity of 10 MGD and the ability to increase capacity to 16 MGD in compliance with the Boulder County Land Use permit.
3. Re-habilitation of the existing buried clearwell *or* the construction of a new above-grade storage tank.
4. Combining the existing 4 backwash ponds into 2 larger backwash ponds to provide for the increased plant capacity.

The budget for the Dodd WTP Upgrade is approximately \$30M and is being financed through a State Revolving Fund Loan received from the Colorado Water Resources and Power Development Authority (CWRPDA).

Copies of the Preliminary Engineering Report are available for public review prior to the Public Hearing at <http://lefthandwater.org/engineering/construction-projects/> or at the following location:

Left Hand Water District
6800 Nimbus Rd
Longmont, CO 80503
