

2019 Water Wise Gardening Class

This class is held at the District office and water-wise garden. It is **FREE** to Left Hand Water District customers. Space is limited, so reservations are required. Please make your reservation by visiting our website at www.lefthandwater.org or bwheeler@lefthandwater.org

Please include your full name and address and # of guests attending.

Customers attending this class will have the opportunity to take home a "Garden in a Box" as a FREE Door Prize!!

Become a Master Waterer

By: Rachio

Saturday, May 25th - 10:00 a.m. - 12:00 p.m.

Learn how to install and use a smart sprinkler controller. Make your lawn the smartest on the block and never water in the rain again. This class will help attendees maximize the benefits of smart watering technology to grow drought tolerant landscapes. Topics covered: relationships between soil, water, and plants; advanced hydraulics; irrigation equipment. Since 2014, Rachio has helped homeowners save more than 22 billion gallons of water and counting.
